ALDERMAN'S GREEN FREE METHODIST CHURCH September - October 2019

I really admire the apostle Paul who had a difficult life but was able to write in one of his letters of encouragement:

I have learned to be content whatever the circumstances. I know what it is to be in need, and I know what it is to have plenty. I have learned the secret of being content in any and every situation, whether well fed or hungry, whether living in plenty or in want. I can do all this through him who gives me strength. Philippians 4:11-13 (NIV)

Even in this uncertain time for Britain - as we may or may not be staying in the EU - we are unlikely to suffer hardships like Paul. But some in our communities are in desperate need – whether for food for the family, money to pay off debts or something less tangible such as loneliness.

At this time of Harvest, let's cultivate an *Attitude of Gratitude* for all the good things in our lives, and be willing to share those things with others in need. There's a great opportunity for practical help as we bring non-perishable items for the Food Bank. But let's also make an extra-special effort to bring the love of Jesus into the lives of people around us as we celebrate God's goodness to us.
